Reading Aloud: A Revision Strategy - Duke University

Reading Aloud: A Revision Strategy Reading papers aloud is a very simple but powerful revision strategy that you can employ to develop both the argumentative and stylistic dynamics of any piece of writing This strategy can be effective as you revise your own writing or as you discuss another writer's work during a peer-review or group setting

Strategic management theory and application

- strategy formation should be a controlled, conscious process of thought - deliberate process (intuitive or emergent approach is not allowed); eg SWOT analysis
- strategy formation must be kept simple and formal
- strategies should be unique
- strategy should be made explicit and articulated
